

us place one of the large collection jars for WaterAid into each of the classrooms. She has also suggested that the children take a smaller 1lb jar home during the summer holidays to fill with small change. They don't have to fill the whole jar. To this end, if you have any 1lb jam jars spare, please hand to Russell or Jenny - Thank you.

SUSAN GOLDEN'S GOODBYE SERVICE

As you know we are having a 'goodbye' service for Susan on **5th August** 6.15pm at Carnon Downs. We are intending to present Susan with a gift from the circuit, and as one or two people didn't receive my previous e-mail regarding this I am writing again. Any gifts to be clearly marked for Susan and handed in to the office for my attention please.

Many thanks Rita Soper (Circuit Administrator).

MUSIC IN OUR CHURCH

Music is a very important part of worship in our church and we thank John, Wendy, The Choir and The Music Group for providing this for us each Sunday morning.

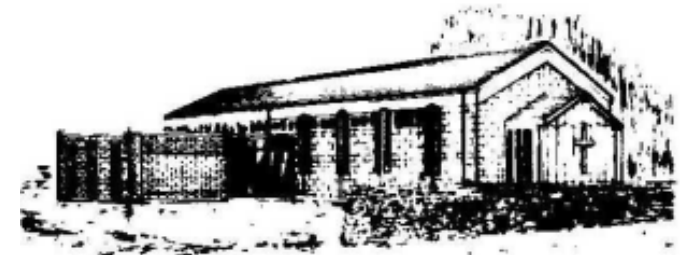

THREEMILESTONE METHODIST CHURCH

NOTICES

17th June 2018

Our mission statement is based on the words of Nelson Mandela and reflects our desire both to worship God and to serve our community:

We are born to make manifest the glory of God that is within us. As we let our light shine so let us enable others to do the same; we will demonstrate the love of God by caring and sharing; we will further the Kingdom of God in this church and community.
